Show Attractions / Events

HiFi Riff

For the second year running, we are delighted to welcome HiFi Riff to the show.

This year they will be doing a live session on both days.

3pm Saturday and Sunday

Durham Suite - First Floor

Arrive early to get a seat!

Driving Sounds

For the second year running, we welcome the Driving Sounds crew to the show.

Located in The County Suite next to the main show entrance, they will be displaying some amazing looking and sounding cars.

With an emphasis on sound, visitors can experience Hi-fi sound in several vehicles and receive expert advice on turning their car into the ultimate listening room.

You can ask for a specific genre, title, and artist or let your demonstrator play some tracks you may not have heard before.

All visitors receive a free copy of the latest issue of Driving Sounds magazine and have the opportunity to get a detailed quote on upgrading any vehicle.

Stephen Drayton – Stylus

Join Mr Drayton to hear four albums across the two days.

1pm Saturday and Sunday

Canterbury Suite - First Floor

Sensational Saturday:

- David Bowie - The Rise and Fall of Ziggy Stardust and the Spiders from Mars.
- It's 1972 and Dave's just about to go stratospheric, aided and abetted by three blokes from Hull.
- Fleetwood Mac - Rumours.
- 1977 In the midst of emotional turmoil and Californian excess the 'Mac makes one of the greatest albums ever.

UK AUDIO SHOW EVENTS SUITE AND ATTRACTIONS

Our very popular Events Suite at the UK Audio Show will return this year, having pride of place in the Exeter Suite, first floor.

Entry as usual is free but visitors are advised to make an early interest choice and arrive before each session, so avoiding disruption to the various presentations.

Each is limited to ½ hour, as we feel this provides the most suitable time span and ensure you are able to visit all the shows Exhibitors.

You will find a separate insert for what lectures and presentations we have, this is necessary because sometimes we add an extra slot, or slot times can vary.

You will also find separate events going on in Syndicate 32 organised by Henley Audio, and once again these will vary during each day.

Also Bob Harris OBE will be honouring us with a visit courtesy of Audio Note UK who you will find located in Syndicates 1, 2 & 3 on the 1st floor.

As we went to press he would be attending around 12.00 noon and 3.00pm on the Saturday and around 1.00pm on the Sunday.

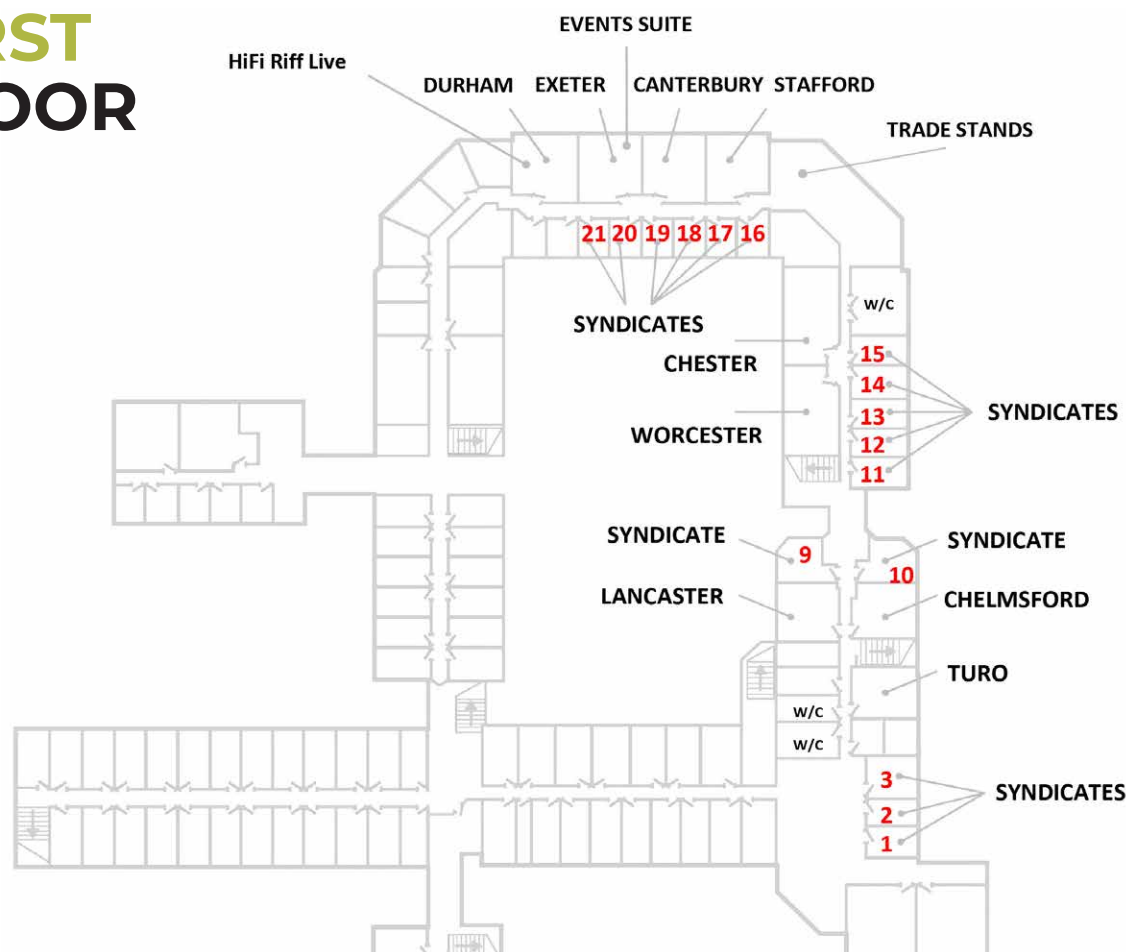

Look out for added attractions during your visit.
